

FRIENDS OF FISH CREEK PROVINCIAL PARK SOCIETY DEDICATION BENCH PROGRAM

The Dedication Park Bench Program began in 1999 and is currently an important fundraiser for the Friends of Fish Creek Provincial Park Society. Over 100 dedication bench locations in Fish Creek Provincial Park are enjoyed daily by Park visitors. The program is managed in co-operation with Park Management, by the Friends of Fish Creek Provincial Park Society. The Venturers Society provides the labour to install and maintain dedication benches throughout the Park.

THE BENEFITS

Donating a dedication bench offers a secure and lasting memory, and is a way to give back to the Park in a unique way. When you are visiting the Park, you will see these beautiful wooden benches presenting a bronze plaque that recognizes someone or something special.

HOW LONG?

Depending on the location of the bench within Fish Creek Provincial Park, it may take several months or even longer before your bench installation will be completed.

The donation of a dedication bench covers the cost of maintaining the bench for a 10-year period. After this period, you will have the choice of renewing through a further donation.

HOW MUCH?

The cost of donating a dedication bench is \$5,250. You will receive a tax receipt for the full amount.
